

Let's Play!

Shark Tank Simulation

<https://box.boodle.ai/a/@SharkTankSimulator>

Students pitch a business idea to a panel of investors with distinct personalities, navigate their questions, and receive a score based on their performance.

Civil Discourse Simulation

<https://box.boodle.ai/a/@CivilDiscourseSimulation>

Helps MA TESOL students practice facilitating civil discourse in diverse English language classrooms through realistic simulations.

The Pedagogy Portal (Instructional Design Frameworks)

<https://box.boodle.ai/a/@ThePedagogyPortalTheCaseoftheFracturedFrameworks>

Presents randomized teaching scenarios and challenges you to identify which learning theory best applies, restoring the Portal's integrity with each correct match until you reach 100% and become a Design Architect.
